CAREER OBJECTIVE

Dedicated and enthusiastic B.Tech Computer Science student seeking a campus placement opportunity where I can apply my technical knowledge, problem-solving skills, and contribute to innovative software development projects.

EDUCATION

B.Tech – Computer Science & Engineering	2027 CGPA: 7.0
Bansal Institute of Engineering and Technology, Lucknow	
Affiliated to Dr. A. P. J. Abdul Kalam Technical University, Lucknow	
Intermediate (12th)	2023
High School (10th)	2021

TECHNICAL SKILLS

Programming:	Python
Frontend:	HTML5, CSS3, React.js
Backend:	Node.js, Express.js
Database:	MySQL, SQL
Core Concepts:	Data Structures, DBMS, OOPS
Tools & Platforms:	Git, GitHub, VS Code

PROJECTS

1. AI Resume Analyzer

- Built an intelligent application to analyze resumes against job descriptions, extracting key skills and calculating match scores.
- Integrated AI/NLP models to provide actionable recommendations, keyword suggestions, and formatting improvements.
- Developed a responsive frontend using React.js and a backend API with Node.js to handle file parsing and analysis.

2. Building an AI-Powered Web App Builder (NxtBuild)

- Architected and developed a full-stack web application builder that generates clean, production-ready frontend code from natural language prompts.
- Integrated LLM APIs to interpret UI/UX requirements, dynamically assemble responsive layouts, and handle component state.
- Implemented a live interactive preview sandbox, custom style controls, and instant code export capabilities using React.js and Node.js.

CERTIFICATES

- Python Programming Certification
- Web Development Certification (HTML, CSS, JavaScript)
- React.js Certification
- Node.js & Express.js Certification
- SQL & Database Management Certification

ACHIEVEMENTS

- Successfully completed multiple technical projects during B.Tech.
- Active participant in coding practice and problem-solving platforms.
- Consistently maintained academic performance with 7.0 CGPA.
- Demonstrated leadership and teamwork skills in academic group projects.

STRENGTHS

- Strong Analytical Thinking
- Quick Learner
- Team Collaboration
- Positive Attitude
